## TOGETHER WE ACHIEVE

Thank you to all the families that came and supported Sports Day at the end of last half term, it was lovely to see so many families enjoying the day.

Summer term is whizzing by and we have some fantastic residentials, in school activities and trips planned for the children who are still working very hard to close some gaps left by the pandemic and finish off learning the objectives set for this year. Please consider their hard work and catch-up needs before you plan any summer holidays outside of the allocated holiday period. Due to the pressure of the curriculum set by the government there is no time in school to recover missed learning due to family holidays. Teaching staff are also not expected to set work for children taking holidays during term time.

We look forward to welcoming you all in school again on Monday 17<sup>th</sup> July, 3.30pm-5.30pm for our annual opening evening. No appointment is needed. This is an opportunity for your child to show you their books, classroom, and display work from this year and an opportunity for them to introduce you to their next class teacher. End of year reports will also come home on this date and if you have any questions or concerns about your child's report, they can be discussed with class teacher's during the open evening on the 17<sup>th</sup>.

If you have not had chance yet, please take a look at our redesigned Website, feedback is welcomed. <https://www.barlbycommunityprimaryschool.co.uk/>

As always, we are operating an open-door policy, please speak to your child's class teacher as your first point of contact.

Kind regards  
Mrs J Baker  
Head Teacher

## ECO CLUB

Eco Club have been working hard on their Eco-Code for the school. This will hopefully help everyone in our school community to think about ways in which they can look after our environment!

**E**veryone can make a difference.

**C**an you recycle more?

**O**ne little change can help the earth.

**C**are for the planet.

**L**itter goes in the bin!

**U**sing less energy will help the world.

**B**ug hotels provide homes for insects.

Caudwell Children is excited to announce the launch of our Get Sensory Packs! We've listened to our families who told us that occupying their children, finding appropriate and safe toys and the money to provide their children with the equipment they would like is even more difficult than usual at the moment.

In response to this, we have created The Get Sensory Pack to provide **affordable sensory equipment** to support disabled children during this especially difficult time. These packs are available to children who have a **confirmed** disability or chronic illness.

## ParentPay

As we are nearing the end of the Summer Term, please can you check your child's dinner money account on a weekly basis and ensure that all dinners are paid for by the end of each week.

Please could you also check that any trips are paid up to date.

Many thanks
